

RTB - Day 3: Thursday, March 11

<p>Session 1A: Design Adaptations for Redevelopment & Urban Watersheds Speakers: <i>Tom Schueler (CSN); Bill Stack (CWP)</i></p> <p><i>Session Materials:</i></p> <ul style="list-style-type: none"> (1) Presentation (2) Presentation – Ultra Urban Retrofits in Baltimore 	<p>Session 1B: Stormwater Program Accounting Tools Speakers: <i>Christy Williams (Tetra Tech, Inc.); Deb Caraco (CWP)</i></p> <p><i>Session Materials:</i></p> <ul style="list-style-type: none"> (1) Presentation – SW Accounting Tools (2) Presentation – TMDLs & Stormwater (Williams) (3) Watershed Treatment Model spreadsheet, 3-1 (4) WTM 2010 Beta spreadsheet (5) WTM Documentation (6) WTM Users Guide (7) Data Needs for 2010 WTM (8) Rules of Thumb on Budgeting & Estimating Cost (9) TMDL Resources (10) TMDL – Impaired Waters (EPA)
<p>Session 2A: Design Adaptations for Karst Terrain Speakers: <i>Tom Schueler (CSN); Chris Anderson (Page Co.)</i></p> <p><i>Session Materials:</i></p> <ul style="list-style-type: none"> (1) Presentation (2) Presentation – Chris Anderson (3) CSN Technical Bulletin #1: Karst Terrain 	<p>Session 2B: Pollution Prevention, Good Housekeeping, & Source Controls Speakers: <i>Kelly Collins & Cecilia Lane (CWP)</i></p> <p><i>Session Materials:</i></p> <ul style="list-style-type: none"> (1) Presentation (2) Resources List – Pollution Prevention
<p>Session 3A: Rainwater Harvesting Hands-On Workshop Speakers: <i>Alex Forasté (Water Street Studio); Sarah Lawson (Rainwater Management Solutions)</i></p> <p><i>Session Materials:</i></p> <ul style="list-style-type: none"> (1) Presentation (2) BMP Design Spec – Rainwater Harvesting (VADCR) (3) Rainwater Harvesting as SW BMP (Forasté & Hirschman) (4) Rainwater Harvesting: Comparing Storage (Pushard) (5) Hands On Exercise OUTLINE I (6) Hands On Exercise Design Guide II (7) Rainwater Harvesting Additional References 	<p>Session 3B & 4B: Stormwater BMP Tour</p> <p>No Session Materials</p>
<p>Session 4A: Practical Pollution Prevention Assessment Speakers: <i>Tom Schueler (CSN); Deb Caraco (CWP)</i></p> <p><i>Session Materials:</i></p> <ul style="list-style-type: none"> (1) Presentation (2) Stormwater Benchmarking Tool (3) CSN Technical Bulletin #7: Stormwater Pollution Benchmarking Tool (4) Resources List – Pollution Prevention (5) Pollution Source Control Practices manual 	<p style="text-align: right;">(Continued on Next Page)</p>

Session 5A: Stormwater Facilities as Community Spaces

Speakers: *Ted Brown & Lee Mallonee (Biohabitats, Inc.)*

Session Materials:

- (1) Presentation

Session 5B: Program Funding & Financing

Speakers: *Glenn Barnes (UNC); George Staber (City of Staunton, VA)*

Session Materials:

- (1) Presentation – Paying for You SW Program (Barnes)
- (2) Presentation – Staunton SWM Utility (Staber)
- (3) MS4 Permit Administration Cost Tips
