Office hours: 8:30 am to 5:30 pm Monday - Friday

## Driving Directions

[Coming for a meeting? Click here for Google Maps](#)

### **From Interstate 70/Route 29:**

From Route 29, exit on Route 40 East towards the Ellicott City historic district. At the second light, (Rite Aid on corner) turn right onto Rogers Ave. Go past the Howard County Police Station and Courthouse and turn right onto Ellicott Mills Drive (there will be a sign directing traffic to "Historic Ellicott City"). Near the bottom of the hill, you will see a free public parking lot on the left. Park in this lot behind the Center's building. The entrance is in the front of the building, on Main Street, left of the Wine Bin.

### **From Interstate 95/695:**

From I-95, go west onto 695 and take Exit 13 (Frederick Road/MD-144) west towards Catonsville (left turn). Follow Frederick Road for four miles through Catonsville and historic downtown Ellicott City (MD-144 becomes Main Street.) When the historic district on Main Street ends, at Ellicott Mills Drive, turn right onto Ellicott Mills Drive and take the next right into the free public parking lot. Park in this lot behind the Center's building. The entrance is in the front of the building, on Main Street, left of the Wine Bin.
